for those who are new to the diorama making. I will concentrate on the techniques, not the artistic. Like many others, I have learnt a lot from Shepherd Paine's book How to Build Dioramas and I would recommend anyone getting into dioramas to ...

Tech Tips: Making Diorama Groundwork - IPMS Stockholm

Building a diorama instead of a normal model had the advantage that in the diorama, the model was protected inside the framework and could easily be stowed below the bunk or behind the sea chest. Nowadays, such antique sailing ship dioramas are valuable collectors' items.

Diorama - Wikipedia

Since then I have made numerous models, mostly WW2 planes, but also a few dioramas. After years of modelling, I found it more and more rewarding and challenging to make dioramas, because it requires not only modelling skills but also a sense of realism and a lot of research and scratch building to get it as realistic as possible.
