of the business analysis community, and consultations with recognized experts in the field. The data available to IIBA demonstrates that the tasks and techniques described in this publication are in use by a majority of business analysis practitioners. As a result, we can have confidence that the tasks and

A GUIDE TO THE BUSINESS ANALYSIS BODY OF KNOWLEDGE

BABOK® Guide expands the scope of business analysis, providing essential direction and support for practitioners. Business analysis is a very interconnected, linear process. There are a lot of feedback loops, but at the core is enterprise analysis: which talks about business casing, understanding the business problem, and solution assessments.
